

Privacy Policy for the WebPPP Service

1. General Provisions

- 1.1. The WebPPP Service (hereinafter, the "Service") is an online platform for post-processing measurements that provides high-precision positioning using the PPP (Precise Point Positioning) method based on measurement files in RINEX format.
- 1.2. The Service is available at: <https://webppp.ru/en/>.
- 1.3. By using the Service, the User agrees to the terms of this agreement. If the User does not agree, the User must stop using the Service.

2. Data Collection

- 2.1. During registration, the Service requests:
 - Email address (for communication, identification, and access recovery);
 - First and last name (for user identification).

3. Use of Data

- 3.1. Data is used exclusively for:
 - Providing measurement processing functionality;
 - Technical support and improvement of the Service.
- 3.2. The Service does not transfer data to third parties and does not use it for commercial purposes.

4. Data Security, Storage, and Deletion

- 4.1. The Administration takes reasonable measures to protect data but does not guarantee its absolute security.
- 4.2. After an account is deleted, all user files and processing results are permanently deleted.
- 4.3. The User may request complete deletion of the account and all related data by sending a request to: support@webppp.ru.

5. Final Provisions

- 5.1. The Service Administration may at any time unilaterally amend the terms of this Agreement. Such changes take effect from the moment the new version of the Agreement is posted on the website. If the User does not agree with the changes, the User must refuse access to the Service and stop using the Service.
- 5.2. The current version of the Agreement is available at https://webppp.ru/en/downloadpdf/docs/privacy_policy_en.pdf/
